DECISION NO. 73263ORDER

Open Meeting
July 18 and 19, 2012
Phoenix, Arizona

BY THE COMMISSION:

FINDINGS OF FACT

1. Semstream Arizona Propane, LLC ("Semstream Arizona") is certificated to provide propane service within portions of Arizona, pursuant to authority granted by the Arizona Corporation Commission ("Commission").

INTRODUCTION

2. On May 24, 2012, SemStream Arizona filed its application on behalf of SemGroup Corporation ("SemGroup") for a limited waiver of the Arizona Administrative Code ("A.A.C.") R14-2-801, *et seq.* ("Affiliated Interest Rules"), pursuant to A.A.C. R14-2-806. Specifically, SemStream Arizona is requesting a waiver of A.A.C. R14-2-803. On June 7, 2012, SemStream Arizona filed a letter waiving the 30-day time-clock for Commission action.

Decision No. _____

3. SemStream Arizona is a public utility, as that term is defined in A.A.C. R14-2-801(8), and provides underground propane gas utility service to the public in and around Payson and Page, Arizona. SemStream Arizona is owned by SemStream, L.P. ("SemStream LP"). SemStream LP is a wholly-owned subsidiary of SemGroup. Accordingly, SemGroup is SemStream Arizona's indirect parent and is considered a "public utility holding company" under A.A.C. R14-2-801(4).

STAFF REVIEW

4. In its application, SemStream indicates that SemGroup is currently contemplating six transactions to be completed over the next five years. While SemGroup may be a party to the anticipated transactions, neither SemStream LP nor SemStream Arizona will be a party to, or will be involved in, the transactions. Further, the anticipated transactions will have no effect on the operations of SemStream Arizona. Semstream Arizona does not rely on any of the entities that are the subject of the proposed transaction for any of its operational needs.

5. With the first five transactions (the "Rose Rock Transactions"), SemGroup may transfer existing subsidiaries¹ into or within the Rose Rock structure,² a recently formed master limited partnership ("MLP"). The sixth transaction is the potential divestiture of certain subsidiaries that are not part of SemGroup's core business units. Specifically, SemGroup is contemplating divesting itself of SemMexico, LLC and SemMexico Materials HC³ as well as their respective wholly-owned subsidiaries. No assets of, or ownership interest in, either SemStream LP or SemStream Arizona will be transferred in or affected by the transactions specified above.

6. There will be no change in ownership of SemStream LP or SemStream Arizona as a result of the transactions. None of the anticipated transactions will involve a financing commitment or requirement on the part of SemStream LP or SemStream Arizona. Therefore, none

¹ The existing subsidiaries are: White Cliffs Pipeline, LLC; Glass Mountain Holding Company (a wholly-owned subsidiary of SemDevelopment, LLC); SemGas, LP and its wholly-owned subsidiaries; SemGroup Europe Holding LLC (and its wholly-owned subsidiaries) and SemCanada II, LP (and its wholly-owned subsidiaries).

² The Rose Rock structure was a recently formed MLP and was the subject of the prior waiver application by SemStream Arizona which was filed on October 26, 2011, and became effective by operation of law on November 28, 2011 pursuant to A.A.C. R14-2-806.C.

³ Both SemMexico, LLC and SemMexico Materials, HC are wholly-owned subsidiaries of SemMaterials, LP and are engaged in the asphalt business.

1 of the assets or equity capital of either SemStream or SemStream Arizona will be pledged,
2 encumbered or otherwise affected. In addition, the transactions will not change the current method
3 of tax allocation to SemStream Arizona and will have no impact on SemStream Arizona's access
4 to, or cost of, capital. SemStream Arizona will continue to have the same access to funding from
5 SemGroup as it currently has. Attached is a pre-transaction and post transaction organizational
6 chart illustrating the changes.

7 7. Any affected entity may petition the Commission for a waiver of the Affiliated
8 Interest Rules by filing a verified application, setting forth with specificity the circumstances
9 whereby the public interest justifies noncompliance with all or part of the provisions of the
10 Affiliated Interest Rules. However, if the Commission fails to approve, disapprove, or suspend the
11 application for further consideration within 30 days of the filing of the verified application, the
12 waiver becomes effective on the thirty-first day following the filing. As previously stated,
13 SemStream Arizona filed a letter waiving the 30-day time clock for Commission action on June 7,
14 2012.

15 RECOMMENDATIONS

16 8. The anticipated transactions will not have any financial impact on SemStream LP or
17 SemStream Arizona. The anticipated transactions will not impair the ability of SemStream Arizona
18 to provide safe, reasonable and adequate service to its customers. Based on the information above,
19 Staff has recommended approval of SemStream's application for a waiver of A.A.C. R14-2-801, *et*
20 *seq.*

21 CONCLUSIONS OF LAW

22 1. Semstream Arizona Propane, LLC is an Arizona public service corporation within
23 the meaning of Article XV, Section 2, of the Arizona Constitution.

24 2. The Commission has jurisdiction over Semstream Arizona and over the subject
25 matter of the Application.

26 3. The Commission, having reviewed the application and Staff's Memorandum dated
27 July 27, 2012, concludes that it is in the public interest to approve SemStream Arizona's request
28 for a waiver of A.A.C. R14-2-801, *et seq* as described in Finding of Fact number eight above.

ORDER

IT IS THEREFORE ORDERED that SemStream Arizona Propane, LLC's request for a limited waiver of Arizona Administrative Code R14-2-801, *et seq.* (the Affiliated Interest Rules) is hereby approved as discussed herein.

IT IS FURTHER ORDERED that this Order shall become effective immediately.
